

WholesomeLife®

## MULTIGRAIN Products

**Trans** fats have become one of today's major health concerns. Your customers are looking at food ingredients more closely than ever and making new choices. They know a healthy diet should be low in **trans** fats. And so we do. Olymel has been using nothing but non-hydrogenated canola oil !

- **No trans fats**
- **Low in saturated fats**
- **Source of polyunsaturated OMEGA 3**
